#### *Earlene Grey (Author)*

*As author of two books, poetry collections, a CD, and other writings, Earlene Grey was a secret poet for years. Although business reports, marketing plans and like communiqués were the primary products, her words always had that certain flow and rhythm. She has also been a patron of fine teas for over five decades. Her current writing is poetry that is a combination of personal insight from a life well lived and wisdom inspired from a properly brewed cuppa. Her words now touch the heart as well as the mind. In addition to life wisdom, Earlene is equipped with a Bachelors Degree in English and a Masters Degree in Business.*
